The Paint The Town Initiative is for:

- Low-income senior homeowners
- Homeowners with disabilities
- Low-income family homeowners

**Application Deadline is  
Friday May 13, 2016**

**The Paint The Town Initiative coordinates volunteers from the community in an effort to paint the homes of our low-income neighbors.**

- ◆ Volunteers, recruited from the community, will perform the work. Local businesses and companies will be sought to donate the needed supplies.
- ◆ Houses selected for participation must be located in the Staples community.

The committees will determine which eligible houses are to be included based on several factors including financial need, condition of the house, the work requested and the availability of volunteers and financial resources. Priority is given to projects which address safety and health concerns or which maintain the integrity and function of the home.

The committee will confer with the homeowners to determine the extent of work to be done and will assign volunteers to work on the home.

If your home is selected, you will be notified by May 31, 2016. Please do not contact committee members. Because of the selection process, we cannot give you an answer over the phone.

**ELIGIBILITY REQUIREMENTS:**

The house must be owned by persons 60 years of age or older, persons of any age with permanent disabilities or by low income families. The house must be a single family home occupied by its owner(s), structurally sound and not in need of structural repairs.

Household Size	1	2	3	4	5	6
